Face Mask for Karate Cadets, official and obligatory model, Approved WKF, Sizes S M and L. The Face Mask is a protective mask designed specifically for use in the sport of karate. The mask features a series of characteristics, which grant the karateka total freedom of movement while showing their identity at all times

In addition, the guarantee represented by the direct involvement of the World Karate Federation throughout the Face Mask creation process, as well as the fact that it owns the patent, provides us with a high guarantee that it will be well received by sportsmen and women and as a result leads us to believe that this product will market well. As from 1st January 2009, the Face Mask shall be of obligatory use in the cadet categories of men's and women's kumite.
